```

The diagram illustrates a vertical sequence of eight identical, light gray rounded rectangular boxes. Each box contains the word "Item" in a black, sans-serif font, positioned centrally within the box. The boxes are arranged one above the other, and they are connected by a thin, dark gray vertical line that runs through the center of all boxes, suggesting a continuous flow or a linked list structure.

```

The diagram illustrates a vertical sequence of eight items. Each item is represented by a light blue rounded rectangle with a thin black border. The word "Item" is centered within each rectangle. A solid black vertical line runs through the center of all rectangles, connecting them from top to bottom.
